

Title I: Right To Know (Certification/Qualifications)

Dear Parents and Guardians,

September 2024

Under federal law, parents have the right to know whether a teacher has met state qualification and licensing criteria for the grade level and subject areas in which the teacher provides instruction; whether a teacher is teaching under emergency or other provisional status through which state qualification or licensing criteria have been waived; and the baccalaureate degree major of a teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree. This applies to all teachers teaching core academic subjects in a Title 1 school, regardless if this school has a school wide or targeted assistance program.

Our school receives Title 1 funding, and we are happy to share this information with you upon your request. At any time, you may request information regarding the professional qualifications of your child's teachers as well as paraprofessionals who provide instructional services to your children.

We are fully committed to the success of your child and appreciate your partnership in your child's education.

Sincerely,

Dr. Chris Jahnke, Principal

Mary Fitzgerald, Federal Programs Support
