

**Jenkintown School District
Title I School & Family Compact
2024-2025**

Dear JES Family,

updated 8/28/24

We value what you do to help your child succeed in school. One part of our school's Parent and Family Engagement Policy is this School & Family compact. This compact is developed jointly with parents and identifies ways you and school staff can share the responsibility for supporting your child's learning.

All Title I students in Kindergarten through Sixth Grade will receive support either by pull-out or side by side/push-in as needed.

School's Responsibility:

- Provide high-quality curriculum and instruction in a supportive and effective learning environment.
- Offer assistance in understanding academic achievement standards and tests, how to track your child's progress, and how to establish a successful homework routine
- Provide opportunities for regular communication between you and teachers through parent-teacher conferences and reports about your child's progress

Family's Responsibility:

- Encourage your child to attend school regularly with a positive attitude and best behavior
- Create a home atmosphere that supports learning
- Attend parent-teacher conferences, when it is appropriate participate in decisions about the education of your child, and review and respond to school communications

Student's Responsibility:

- Be ready and eager to learn
- Respect others and the different ways people learn
- Try your best with good effort
- Be cooperative by carrying out the teacher's instructions and ask for help when needed

Please review this School and Family Compact with your child. This may be discussed with you during a parent-teacher conference as it relates to your child's progress in school.
